

THE SCOUTS... EVERYDAY ADVENTURE ON YOUR DOORSTEP!

We are the largest youth organisation for males and females in the UK, and there is room for you too!

We are growing The Scouts in Newburgh and Dalton because we want even more young people and adults to benefit from the fun, challenge and adventure.

We believe in preparing young people with skills for life. We encourage young people to do more, learn more and be more.

Scouts develop character skills like resilience, initiative and tenacity; employability skills such as leadership, teamwork and problem solving; and practical skills like cooking and first aid.

Scouts get the opportunity to explore the outdoors, make new friends and take part in an exciting programme of activities; from abseiling to archery, canoeing to climbing, high ropes to hillwalking, sailing to scrambling and zip wires to zorbing.

We are holding a Scout Open Evening to give young people (aged 5 years and over) and adults a taste of what Scouts get up to.

We hope to open a Beaver Scout Colony for boys and girls aged (5¾ - 8 years).

We also have spaces in Cub Scouts (8 - 10½ years) and Scouts (10½ - 14 years).

Go on, give it try and get involved too!

The bit for adults

The Scouts are led by volunteers, and to help us grow we are looking for additional adults to join our team. New adults can help us provide fun activities, or take on one of our support roles in admin or finance.

You don't need any special skills, other than bags of enthusiasm and a little bit of patience! Whatever you choose, you will receive training and support for your role.

Volunteering is extremely rewarding and you get to try all of the great activities too! If you can spare a couple of hours a month or know someone that can, then get in touch or come along to the open evening to find out more.
