

Team Crane Week beginning Monday 21st January 2019

If not already done so, please send in **extra socks** for Forest School.

Personal, Social, Emotional Development (PSE)

We will think about what makes a good friend such as listening to others, taking turns and sharing.

Communication and Language (CL) & Literacy (LD)

Last week we learnt to tell the story of The Hat Seller and the Monkeys and this week we will learn to retell the story of the Gingerbread Man. We will also come up with some alternative characters and solutions to crossing the river.

On Tuesday, the children will choose their own reading book to supplement their usual one.

Physical Development (PD)

We will work in our outdoor area to create bridges and structures that might help the Gingerbread Man get across the river without being eaten!

Mathematical Development

Subtraction and estimation will be our mathematical focus this week. We will also interpret our Traditional Tale tally charts completed at home and talk about what we discovered we can do in one minute.

Understanding the World (UW)

As we think about ways to help the Gingerbread Man get across the river, we will investigate sinking and floating.

Expressive Arts and Design (EAD)

We will make our own Gingerbread man from cardboard and design an outfit for him.

Other Information

We are looking forward to our Family Forest School Afternoon. Don't forget to return your reply slips to confirm attendance.

With thanks for your continued support, Sharon Duthie, Gwenda Enriles, Emma Anderson, Alex Saddler.
