

### Home School Liaison

Week beginning Monday 21<sup>st</sup> January 2019 Class Lucas Year 2

#### Numeracy

This week in numeracy we will be learning about measuring the mass of objects. We will be finding heavier and lighter objects and comparing them. We will be learning to read the scales on the dials. **To support your child at home, help them to bake a cake and help with the weighing and measuring.**

#### Literacy

This week we will continue to learn about diaries. We will be discussing the features of diary texts and we will be writing a diary as if we were at the Great Fire of London. **To support your child at home, please share a diary with your child if you have one or share stories such as the Diary of a Wimpey Kid. Please hear your child read as often as possible.**

#### Show and Tell

The children chosen for Show and Tell on Monday 28<sup>th</sup> January are Mathew and Macey. Please check the homework grid for ideas to complete.

#### Other information

Year 2 **will not be** doing forest school this week.

Please continue to collect and save any boxes and containers for our topic as we are hoping to build some famous landmarks with them in our Design Technology lessons.

Mrs Breheny
