

## Home School Liaison

Week beginning Monday 20<sup>th</sup> May 2019

This week your child will be learning about...

In literacy, we will be continuing to write our own versions of the story 'What the Ladybird Heard' by Julia Donaldson. We will also be completing different activities to revise our Phonics knowledge.

In numeracy, we will be looking at position, direction and time.

The children have had great fun working on their number bonds, halving and doubling numbers whilst playing 'Hit the Button.' Please find a link to it below if they would like to practice at home.
