

Rigby Home School Liaison

Literacy

This week we will be continuing our play scripts. We will be focusing on the play script Romeo and Juliet and writing our own play scripts. We will then be performing and recording them on Thursday and Friday.

Mathematics

This week the Year 4 pupils will be looking at fractions and division. They will be using their knowledge to problem solve and reason.

This week Year 3 pupils will be continuing building on their knowledge on division, we will be focusing on dividing 2 digit numbers by 1 digit. We will also be moving on to bus stop method of division and using this to reason and problem solve.

Please remind children to keep on practising their times tables on TT Rock Stars each week, this is really important during our multiplication and division topics.

Ukulele and P.E.

PE days are on a **Tuesday** and a **Friday**, please make sure children have indoor and outdoor kit.

Ukulele practice will continue on a **Wednesday**. Please remember instruments.

Creative Curriculum

This week we will be continuing our topic 'Misty Mountains'. We will be looking at the water cycle and landscapes, including mountains and rivers. In Science we will be focusing on electrical circuits, we will be looking at incomplete and complete circuits. We will be making predictions, completing experiments and analysing our findings.

Thank you so much for your support, any further questions please do not hesitate to ask.

We hope everyone enjoys the last week of this half term 😊
