

Dear Parents and Carers,

Welcome back to all our families, new and old. As this is a new beginning for all our families and myself, I have attached a Housekeeping letter to this newsletter for your information.

It's been wonderful to return to school with bright new beginnings. As I mentioned in the welcome letter sent home on Monday an awful lot of work has taken place around school over the summer. The PTA paid for our Trim Trail to be repaired so children can enjoy this facility again. We have had much of the school repainted and the Newburgh Fair Committee paid and supported the sanding and re-varnishing of our hall floor. Everywhere looks wonderful—so many thanks to all involved.

Next week we are looking forward to the start of extra curricular clubs from Years 1 to 6. Our choir will begin again on Friday 13th September (open to all children from Reception upwards) and we will be holding the Reading workshop to support parents of Reception and Nursery age children (this will also be an opportunity for you to meet myself and see some of the fabulous school improvements made over the summer). The PTA AGM will be held at 7pm on Thursday 12th September and I hope to be able to welcome many of you there. We are also holding a Welcome Service in church at 9.15am to which you are all invited.

You will receive consent forms for the flu immunisation which is due to be on October 16th. This year all children from Reception to Year 6 will be offered this important vaccination. Please return consent forms by next Friday to ensure your child can benefit from this.

Aldi are giving out Team GB stickers for spends of over £30. We are collecting this in school to be entered into a draw to win £20,000 (amongst other things). If you do collect stickers please put them in school bags for us.

Welcome back to Breakfast & After School Club.

We are still running our Early Bird Breakfast Club from 7.30am but you must book in with Chrissy to secure a place at this.

In After School Club the children this week have chosen new, healthy snacks to have after school. They have enjoyed playing some team games and have already used our mended Trim Trail (thank you PTA!).

Tonight will be the traditional After School Club Film Friday. Children will choose which film they would like to watch from the selection available.
