

Dear Parents and Carers,

This week saw the start of our yoga sessions for children. This is an additional PE session we are providing for all school aged children as we hope it will help to build resilience in our children.

On Thursday it is our annual Eco and School Council elections. If children would like to put themselves forward for this they need to produce a campaign poster to be shared with their class. The Year 6 School Council representatives will be our Head Boy and Head Girl for this academic year.

After the success of last years 'Newburgh News' that children wrote at home based on sporting achievements, we have decided to continue this writing opportunity for all children from Reception up to Year 6. This year children can make a news report on any exciting event or achievement that they've participated in. Copies of their newspaper template are available in school for the children to collect or see Mrs Fowler.

After a slow start to the year Chrissy's computer has finally been fully installed though it is still not working properly! Despite this all Parent Pay accounts have now been updated and I need to remind you all to ensure that you are in credit with your accounts.

I need to pass on the polite notice that legally children have to be in school until 3.30pm during term time. Children can only be taken out of school if written evidence is provided to justify this.

Finally a couple of reminders—the Starlight collection will take place next Wednesday. If you have unwanted clothes/shoes/bags please bag them up and drop them off at school by Tuesday. This will support not only a charity helping seriously ill children but school will also get some funding. We are also signed up with The Book People so if you are purchasing books for any reason please consider using The Book People and selecting Newburgh School. We will get a £1 donation for every £10 you spend for us to spend with The Book People. We are also still collecting the Aldi stickers, please send any in school bags with children.

NEWSLETTER

13/09/19

This week Nursery children have been looking at “what makes me me?”, how we are all different and that this is what makes us special.

Next week we will be making mirrors and stars with the theme of “let us shine”.

Our home challenges for children as ever focus on independent skills. Please allow children to practice washing their hands (so important in cold & flu season) and taking their coats off and putting them back on again.

As ever, please ensure all items that children bring to Nursery are named.

Don't forget to keep in touch with us using Tapestry and follow us on Twitter @NewburghNursery to see all the fun things we get up to!

The details for the PTA race night are as follows:

Date & Time—11th October 2019 at 7pm

Before the event:

Business sponsorship—If you would like to sponsor a race for £20 and have that race named after your business please see Chrissy (there are around 8 races that can be sponsored).

If you would like to become a “horse owner” this costs £5 and you can name your horse. Again please see Chrissy if you would like to do this. The owners of winning horses will win a bottle of fizz.

We are now collecting donations of bottles of prosecco for winning horses—please leave at the school office with Chrissy.

On the night:

Entry will be with your pre-purchased ticket. Doors will open at 7pm. The first race will start once everyone has a drink—no later than 7.30pm.

There will be a bar to purchase drinks and a hot pot supper will be available (these to be paid for on the night). Bring your own nibbles if you wish.

Each bet will be £1 of which 50p will go towards the PTA fundraising and 50p will go towards the winning stakes. Prize money will be dictated by the number of bets per race.

Doors will open for the event at 7pm. The first race will start once everyone has a drink—no later than 7.30pm.

Dress code—this is a fun event, however if you do wish to go all out and make it a “night at the races” you are very welcome.
