## Newsletter

27/09/19

Dear Parents and Carers,

Welcome to our bumper 5 page newsletter!

It's been a busy week in school with our School and Eco Council elections and the closing date for our school jobs happening. Congratulations to all children for some fantastic ideas and presentations. Please see the attached sheet for our nominated Councillors.

We had the local fire crew visit to give talks to Years 2 and 6 about keeping safe. Our reception class took the opportunity to take a close look at the fire engine and the marvellous driver gave them a guided tour of the fire engine!

Thank you for all your bags of clothes for Starlight. With your help we have raised £22.20 for school and £7.40 for Starlight. This money has gone toward our TV Licence so all teachers can continue to access i-player for educational programmes for our children. The next collection date is 11th December so please let all your friends and family know.

I attended a Parish Playground Meeting this week and we are looking for a new member. This group meets once per term to check the playground area next to school. The next meeting is at 4pm on the 3rd February. Please see me if you are interested in joining.

We are expecting the arrival of the packs for children to design Christmas cards any day. For the uninitiated the PTA send home these packs for children to make a Christmas design that you can then buy as Christmas cards, gift tags, mugs etc. with the profit going towards the PTA. To help with your designs this year the PTA will be running a festive workshop straight after school on Tuesday 15th October. Full details on our PTA page but please do join us and get yourselves ahead of the game for Christmas.

We have entered into an exciting collaboration this week with Active Sports. They will be providing a three day sports camp here at Newburgh School over the October half term. Please see the attached Community Page for more information.

## Newburgh Nursery

We've had a busy week learning all about me and being shining stars!

Next week our theme is changing to TRANSPORT. We will be learning about different types of vehicles, parts of these vehicles (using shapes and number activities). As part of this theme we will be junk modelling our own vehicles please send into Nursery any of the following:

**Clean cartons, clean yogurt pots, kitchen roll holders (not toilet rolls), cereal boxes etc.**

Don't forget to keep in touch with us using Tapestry and follow us on Twitter @NewburghNursery to see all the fun things we get up to!

Thank you,  
Mrs Verrill, Miss Menarry & Miss Renner

## Breakfast & Afterschool Club

Breakfast and Afterschool Club numbers continue to increase so can we please politely request that all accounts either be brought up to date or put in credit before half term in order for children to keep their allocated spaces. Thank you.

While school is not running our own holiday club this half term there will be provision on site by Active Soccer. They have in the past run our Nursery PE sessions and held some Afterschool Clubs here with us. Bookings are direct with them ([www.activesoccer.co.uk](http://www.activesoccer.co.uk)). The club will be held on the Mon-Weds of October half term (21-23 October) for ages 4-11 at a cost of £35 for all three days or £15 per day.

Welcome to our PTA page!

## Race Night—11th October 7pm

A big thank you to all our sponsors of races for the PTA race night—these have all now been sold.

We still have horses available to buy. For £5 you can name a horse and if your horse wins one of the races you will win a bottle of fizz.

We are now accepting donations of bottles of fizz for the winning horse owners, please bring these to the school office or pass directly to a member of staff. Thank you.

Tickets for the night are £5 and can be bought from the school office. You should all have received a form in school bags (one per family) to complete if this is easier. This can be placed in school bags and you can buy horses or tickets using this.

## Christmas Design Workshop

We will be running a workshop for children after school on Tuesday 15th October from 3.30-4.30pm. This is for children to make their Christmas design from which you can then buy Christmas cards, tags or mugs etc. ready for Christmas. The PTA benefits from all purchases made from these designs.

- All materials will be provided on the night including design ideas
- Children must be accompanied by an adult
- There will be a charge of £3 per child to cover the cost of materials and to raise funds for the PTA.

Chrissy is taking bookings now so please put your name down (with your payment) as soon as you like.
