Dear Parents and Carers,

First of all Congratulations to our Year 5 and 6 boys football team who won the West Lancashire District Small Schools league for the second year in a row and only conceded one goal in the process. We're all extremely proud of you!

Our school councillors and eco councillors have got off to a flying start this week with council members assisting in the school job interviews for successful applicants this week. Our eco councillors in Rigby & Venables have attended an eco fair to gather ideas for what the council would like to focus on this year. Our Head Boy and Head Girl have also attended leadership training to help them in their important role for us here at Newburgh.

Congratulations to our successful job applicants. The standard of application and interview was wonderful and our school councillors also enjoyed the experience of interviewing for some of the roles. Our successful candidates will shortly begin in their job roles.

On Monday we have our Harvest Festival in church to which you are all very welcome. The service will be led by children in Years 1 and 2. We will be accepting donations of tinned and packet food for Tawd Vale Lions Club. Please bring these to school (not church).

On Thursday we have the first meeting of Newburgh Beacons. At 3.30pm you are all invited to join Rev. Jane for a family worship event aimed at giving families the opportunity to celebrate their faith at an alternative time to Sunday. This promises to be an informal, fun event so please do come along and join in.

On Friday Rigby will spend the afternoon taking part in Forest School activities. We hope to include our Key Stage 2 children in more Forest school and outdoor activities as the year progresses.

Next week we will be sending home our annual data check to all children in years 1-6. Please read through the information provided thoroughly, sign and return to school before half term. Also, please note the flu immunisations have been brought forward to Tuesday.
