Dear Parents and Carers,

As the autumn term comes to a close, I would like to thank you for your support during a busy, enjoyable and very successful start to the academic year. The children have been hardworking and enthusiastic in their learning across the curriculum. They have enjoyed the opportunity to participate in extra-curricular activities and a range of enrichment opportunities as well as whole school and key stage events. We have enjoyed leading services in church and performing at other school and community events. Many congratulations to the children on their wonderful Christmas performances during the last two weeks.

Tawd Vale Lions were overwhelmed with the number of donated presents received here both from families and from the church. There were too many presents to count and they will all go to homes in need over the next few days.

At the start of next term Class Crane will continue to receive an electronic weekly liaison but in response to your feedback with regards to communication and being informed of your child's learning we will be sending home a paper copy of a termly information sheet for all other classes. You will also receive a copy of the learning objectives for reading, writing and mathematics for your child's year group.

Our school calendar has now been updated on the app for next half term as far as is possible. Please note some times are approximate.

Many thanks for your support with our P.T.A events and your continued support. May I take this opportunity to wish you all a peaceful and joyful Christmas and I look forward to seeing you all in the New Year.
