Mr Dilworth will tweet Testbase links

ALL Year 1 – Year 6 children have been given a password (stuck in their diaries) for 'Classroom Secrets'. This is a website that will allow your child to access learning in literacy and mathematics for their year group.

ALL children could write a diary about each day remembering to apply punctuation and interesting vocabulary!

Each class can also continue with their Homework Grid. You can send us lots of screenshots of what you get up to via email – bursar@newburgh.lancs.sch.uk or head@newburgh.lancs.sch.uk

Should a school closure happen then class teachers will post on their twitter page and via email a specific learning focus for the week ahead. If we are given notice then staff have also compiled home learning packs to give to each child.

We know that these are worrying times and we understand the anxieties we are all facing. School takes the health and safety of all our children, staff and community very seriously. We continue to

adhere to all government advice and guidance and we will continue to keep you up to date with the latest information.

We understand how challenging and worrying the current situation is and thank you for your patience and support during this difficult period.

Kind regards

Rebecca Fowler
Headteacher
