

Remote Learning Plan

Rigby Year 4

20/04/20 – 26/04/20

Literacy Core Learning

- Finding and defining key vocabulary, using a dictionary
- Finding synonyms
- Writing a character description
- Creating a story map
- Writing a prediction, using your story map

Please see attached plan on Purple Mash.

G.P.S. Focus

A PowerPoint based on Expanded Noun Phrases has been sent to your Purple Mash email.

Please read through the PowerPoint and complete the activities. Remember to use expanded noun phrases when writing your character description and prediction.

A PowerPoint has also been sent with this week's spelling rule- Adding the prefix Inter.

Activities for the week ahead:

This week we will be looking at the first two chapters of 'The Train to Impossible Places'. There are five sessions linked to this magical story. Please see the attached English and Literacy Home Learning plans provided for the weekly activities on Purple Mash.

Please complete these activities at your own pace and just do as much as you are able to ☺

Mathematics Core Learning

This week we will be completing activities linked to decimals. There are short video clips to watch and a series of five lessons with answers. **This is brand new topic, for children to be able to access this week's learning they must have completed the previous weeks, 1 and 2. This can also be found on the link provided below.**

Key Vocabulary:

Decimal, hundredths, tenths, decimal place, whole, two decimal places, compare, order.

Activities for the week ahead:

Please go to White Rose Maths Summer term Week 1-
<https://whiterosemaths.com/homelearning/year-4/>

Lesson 1- Making a whole

To make a whole from any number of tenths and hundredths.

Lesson 2- Write decimals.

To read and write numbers with decimals and understand the value of each digit.

Lesson 3- Comparing decimals

Compare the decimal using the < (less than), > (greater than) and = symbols.

Lesson 4- Ordering decimals

Use your developing knowledge and understanding of decimals to help you to order them.

Lesson 5- Maths Challenge

Creative Curriculum Focus

Our new topic is Blue Abyss! We will be learning about the oceans and seas and the different marine creatures that can be found. Can you complete a fact file or report about different marine creatures? You can draw and label them and write facts about them. You could use websites and books to help you. Here are some helpful links-

<https://www.natgeokids.com/uk/discover/animals/sea-life/strange-sea-creatures/>

<http://kiddopedia.net/sea-animals-for-children-learn-sea-creatures/>

You could also draw or paint pictures of your sea creatures or make a collage! Have fun! ☺

Key Vocabulary:

Marine, sea, oceans, creatures, lifespan, habitat

Don't forget...

There are some fun PE activities on the Born To Move Website:

https://borntomove.lesmills.com/media/BORN+TO+MOVE+15+8-12+Tension/0_6rb18cme/130160092
