Mathematics Core Learning:

Summer term week 3

Calculating fractions

<https://whiterosemaths.com/homelearning/year-6/>

1. Simplifying Fractions
2. Compare and order fractions
3. Add and subtract fractions
4. Mixed addition and subtraction

Key Vocabulary:

- Addition
- Subtraction
- Numerator
- Denominator

Activities for the week ahead:

Complete Mathletics activities set every Thursday morning.

Creative Curriculum Focus

Our new topic is called Gallery rebels.

Each week we are going to focus on a different art movement. This week our focus is on Expressionism from 1900s. Your task is to research the movement, find out some facts about the key artists and look at some pieces of art. What do you like/dislike about this movement? What are the differences from realism and impressionism? Create your own piece of art based on this movement using whatever art materials you have at home. If you can, create your own art movement sketch book so all of your art work over the next 6 weeks is together.

Don't forget...West Lancashire P.E:
