

Remote Learning Plan

Rigby Year 4

11/05/20 – 15/05/20

Literacy Core Learning

- Dictionary work- finding synonyms and identifying prefixes and suffixes.
- Plan and write a newspaper report.
- Character description
- Write a diary entry
- Make a prediction- plan and write the next chapter of the story.

G.P.S. Focus

A PowerPoint based on 'Plural and Possessive- s' has been sent to your Purple Mash email with some activities.

This week's spelling rule is the prefix 'ex'. Please use spelling frame to practice this week- click the link below:

<https://spellingframe.co.uk/guest/word-list/30659>

Activities for the week ahead:

This week's focus is on 'The Abominables' by Eva Ibbotson. There are five sessions linked together which are all based on first two chapter of 'The Abominables'. Please see the attached English and Literacy Home Learning plans provided for the weekly activities, on Purple Mash. **Please complete these activities at your own pace and just do as much as you are able to** 😊

Mathematics Core Learning

This week we will be consolidating our previous knowledge.. We will be focusing on problem solving, finding the perimeter of rectangles and rectilinear shapes and also finding the area by counting squares.

Key Vocabulary:

Multiply, divide, perimeter, area, rectangle, rectilinear, correspondence problems, combinations.

Activities for the week ahead:

All numeracy activities will be sent via email on Purple Mash this week. Each worksheet will be sent and links to the videos.

Lesson 1- Multiplying and dividing- problem solving

Lesson 2- Perimeter of a rectangle.

Lesson 3- Perimeter of rectilinear shapes

Lesson 4- Area- counting squares

Additional activities have been set on Mathletics.

As we have covered these topics in class you may finish this week's work quickly. If so, I have added some games below you might want to have a go at:

https://www.mathplayground.com/area_perimeter.html

<https://mathsframe.co.uk/en/resources/category/7/multiplication-and-division>

<https://nrich.maths.org/7280> (problem solving)

Creative Curriculum Focus

This week's focus will be Science. We will be looking at classification, in which living things can be divided into groups or 'classified' by looking at similarities and difference between them. Have a look on the link below, to learn all about classification:

<https://www.bbc.co.uk/bitesize/topics/zn22pv4> and watch this video <https://www.bbc.co.uk/teach/class-clips-video/science-ks2--ks3-classification-of-organisms/zh7g92p>

There are lots of activities that have been set on Purple Mash to sort and classify living things.

There are more great science games and activities below that you could try as well:

<http://www.crickweb.co.uk/ks2science.html>

Why not on your daily walk, find as many living things as you can. Make a note of them and then decide how you could classify them 😊 Have fun!

Don't forget...

There are some fun PE activities on the Born To Move Website:

https://borntomove.lesmills.com/media/BORN+TO+MOVE+19+8-12+Carried+You+High/0_h7t7k94r/130160092
