Mathematics Core Learning

Summer term-Week 6

PLEASE SEE ATTACHED PLAN AND LINKS ON PURPLE MASH.

1. Multiply unit and non-unit fractions by an integer
2. Multiply mixed numbers by an integer.
3. Fraction of an amount.
4. Using fractions as operators

Key Vocabulary:

- Fraction
- Equivalent Fractions.
- Compare.
- Order.
- Denominator
- Numerator

Activities for the week ahead:

- Athletics challenges.

Creative Curriculum Focus:

Our new topic is called Gallery rebels.

Each week we are going to focus on a different art movement. This week and next week our focus is on Pop Art from 1960s. Your task is to research the movement, find out some facts about the key artists and look at some pieces of art. What do you like dislike about this movement? What are the differences from realism, impressionism and cubism? Create your own piece of art based on this movement using whatever art materials you have at home. If you can, create your own art movement sketch book so all of your art work over the next 6 weeks is together.

Don't forget...West Lancashire P.E:
