Mathematics Core Learning:

Summer term week 6

fractions/decimal/percentage.

Please see attached plan on Purple Mash.

1. Fractions to percentages
2. Equivalent FDP.
3. Order FDP.
4. Percentage of an amount.

Key Vocabulary:

- Multiplication
- Divide
- Integers
- Denominator
- Numerator
- Percentage

Activities for the week ahead:

Complete Mathletics activities set every Thursday morning.

Creative Curriculum Focus

Our new topic is called Gallery rebels.

Each week we are going to focus on a different art movement. This week and next week our focus is on Pop Art from 1960s. Your task is to research the movement, find out some facts about the key artists and look at some pieces of art. What do you like dislike about this movement? What are the differences from realism, impressionism and cubism? Create your own piece of art based on this movement using whatever art materials you have at home.

If you can, create your own art movement sketch book so all of your art work over the next 6 weeks is together.

Don't forget...West Lancashire P.E:
