

# Remote Learning Plan

## Crane

08/06/20 – 14/06/20

*The essence of Early Years Foundation Stage is to follow the children's interest so regardless of what's on here, do that! **Remember-** Every interaction is learning, the more we interact the more we learn. Keep In Touch via Tapestry and Twitter - @NewburghCrane*

**Mathematics Focus-**Who fancies another game of bingo? I've added an observation to your tapestry journal so we can play bingo in a group. You have to make your own bingo card with enough squares for you to write the 9 numbers I give you on Tapestry. Once we have played it together, you can play it again with your family, using different numbers and different questions.

Do you remember the Legend of Big Tum? Have a watch of this episode and talk about the maths that's going on and use something at home to copy the story. Can you write the number sentences in the episode?

<https://www.bbc.co.uk/iplayer/episode/b0bp2v6x/numberblocks-series-3-the-legend-of-big-tum>

There are also some maths lessons assigned to you on Maths Seeds.

**Picture News is added to Tapestry every Monday, it's another great resource to supplement learning.**

### Personal, Social and Emotional Development & Communication & Language

How do you think the Alien in Monday's story felt when it landed somewhere strange and new? Can you remember a time when you went somewhere that felt a bit strange and new? Perhaps when you first started in Team Crane. Have a chat about the things that made you feel better about the situation. What would you say to an alien who landed in your garden to make them feel welcome and safe? What would you need to know about your alien to make it feel at home? What does it like to eat? What would it play with?

**Expressive Arts and Design-**In this clip, JC uses glasses filled with water to create a musical xylophone. He carefully taps each one to create the tune to 'Twinkle, Twinkle, Little Star'. Can you have a go at doing the same? Why do you think the amount of water changes the note or sound? Try changing what you use as your beater. Does that make a difference to the sound or note? What other tunes can you play?

<https://www.youtube.com/watch?v=fPqLaBbUX0M>

**Understanding of the World-** I wonder what planet the Alien in Monday's story came from? Do you know the names of any planets? Do you know any facts about them? Spend some time researching planets; what do you want to know more about? How will you choose to record what you discover? Maybe you could make a poster or create a fact file.

**Phonics Focus-**Don't forget about PhonicsPlay! There's a fun alien game with Obb & Bob that we used to play together at school. Give it a go; are you quicker at it now?

<https://www.phonicsplay.co.uk/>

Make sure you dip into the government funded YouTube Letters and Sounds lessons with CBBC presenters. Letters and Sounds is the programme we follow at school and the lessons are aimed at Reception and Year One and are taught in a similar manner to our daily phonic sessions.

<https://www.youtube.com/watch?v=jMwtf5CRwZ0>

**Physical Development-**Join Jamie on Cosmic Kids for a Space themed yoga adventure.

<https://www.youtube.com/watch?v=J89U-WZHFc0>

Miss Murray has an exciting street dance routine for you this week; I've had a go and it's great fun! Make some room!

<https://www.youtube.com/watch?v=aaDkdVUKqe8>

There are also some foundation activities from LCC attached as a separate document.

08/06/20 – 14/06/20

*The essence of Early Years Foundation Stage is to follow the children's interest so regardless of what's on here, do that!*

**Remember-** Every interaction is learning, the more we interact the more we learn.

Keep In Touch via Tapestry and Twitter - @NewburghCrane

Why not stay up a bit late tonight and go stargazing, you could even camp out! Can you spot the star which is Obb's planet Frigglejang?

The National Trust has some top tips on stargazing;

<https://www.nationaltrust.org.uk/features/top-tips-for-stargazing>

And Cbeebies has a programme called Star Gazing. Why not spend some time checking it out?

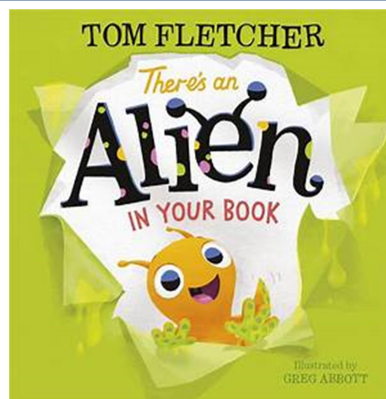

<https://www.bbc.co.uk/cbeebies/shows/star-gazing>

Have a listen to this song, can you act it out or can you write a number sentence to show what happens each time an Alien flies away?

<https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-five-little-men-in-a-flving-saucer/z6agscw>

**\*Don't forget about Storytime on Tapestry.  
There will also be additional activities on there.\***

## Zaa Zee Zoo!

This week we are off into Space to think about Aliens, Stars and Planets. I've made myself a space rocket to read this week's stories in. It would be terrific if you made one too so we can pretend to go to space together. What will we see?!

**When following links online, parents should monitor that children are remaining on that page only and are keeping safe online.**

The Alien in the story speaks a different language. What do you think Zaa Zee Zoo means? Can you make up your own Alien language? How would you say hello or sausages or bath time in your new language? Have a go at writing some Alien language words. I'll show you how I do it on Tapestry later in the week.

Everyday on Tapestry I say hello to you in a different language. Do you know how to say hello in a language other than English or Alien?

Log into your Reading Eggspress account and take a look at the Alien/Space based books I've assigned for you to read. There are a variety of levels and each book has a quiz and review section to complete. And don't forget to turn on or off the 'read to me' button. Then have a look at the library yourself and see if you can find any other books you like the look of. Don't forget to spend sometime on ReadingEggs collecting golden eggs to spend in the shop. Have you got enough to buy your avatar a new outfit?

There are lots and lots of space and alien themed programmes and activities on Cbeebies. Follow this link and find one you might find interesting

<https://www.bbc.co.uk/iplayer/group/p03dc9cn>

Here's another story about aliens, there are 3 different ways to listen to it, which one will you choose?

<https://www.bbc.co.uk/bitesize/topics/z74n6v4/articles/zbm2>
