<https://whiterosemaths.com/homelearning/year-2/>

1. Finding and using unit fractions where there is only 1 of each fraction.
2. Finding and using non-unit fractions where there is more than 1 part shaded.
3. Finding a half of amounts. Remember to share out equally.
4. Finding a quarter of amounts. Remember to share out into 4 equal groups.
5. Try your skills at the Challenge! How much can you remember from this week?

If anyone finds this too tricky then please use the White Rose Maths Year 1 home learning.

You can also use BBC Bitesize to help you.

The daily activities will be attached to your PurpleMash email.

May be you would like to share out some sweets or cakes to help you.

### Creative Curriculum Focus

Try your hand at a 60 second read and check your comprehension skills! Read the text of Building Castles and then answer the questions.

Why not complete a science investigation? Carefully consider the properties of different materials. Which will be the best to build a bridge with and why? Imagine that it is for a bridge going over your castle moat. Were your predictions correct? Take photos and add them to you Castle Fact File.

Continue reading the next chapter of The Tale of the Ostrich and the Very Long Neck and complete your 2dos on Purplemash.

Keep checking on Twitter for more challenges throughout the week.

Key Vocabulary: materials, structure, flexible, properties, suitable, prediction.
