

Remote Learning Plan

Rigby YEAR 3

08/06/20 – 12/06/20

Literacy Core Learning

Activities for the week ahead: 'Be Healthy, be Happy!'

The activities this week are all about being active and looking after ourselves- our bodies and our minds. We will be completing these tasks:

- Listening to Keeping Healthy songs
- Writing instructions for a 'shake up' activity
- Writing a list of all the food that 'The Hungry Caterpillar' ate
- Writing a letter to 'The Hungry Caterpillar'
- Finding out about how to stay healthy and happy in the sun

The links for these activities will have been emailed to you on Purplemash. I hope that you enjoy them!

Phonics/G.P.S. Focus

Our spellings this week are words that end with the/zhuh/ sound that is spelt with 'sure'. These include treasure, measure and exposure. I have also sent a word search activity that contains these spellings.

The PowerPoint for these spellings have been sent to you on Purplemash. A word search containing these spellings has also been sent to you. Have fun! ☺

A list of all of the Year 3 and 4 spelling words has also been sent to you if you would like to have a look at these words. Do you know what they mean? Can you spell any of them? Can you read them?

Mathematics Core Learning

We are learning about fractions and we will be thinking about equivalent fractions and we will be comparing them. Please remember that this is new learning so complete the parts that you can and use the videos and answer sheets to help you.

Key Vocabulary:

fraction, part, denominator, numerator, part model, bar model, addition, subtraction, whole, simplify, equivalent, greater than, less than, equal to, more than.

Activities for the week ahead:

Lesson 1- Equivalent Fractions

Use your developing knowledge of fractions to find other fractions that are the same.

Lesson 2- Equivalent fractions

Can you find the equivalent fractions?

Lesson 3- Equivalent Fractions

Can you match the equivalent fractions?

Lesson 4- Compare Fractions

Compare the fractions- which are the same? Use the greater than, less than and equals symbols.

Don't forget that you can also complete activities on Times Table Rockstars and Mathletics! Have fun! ☺

Creative Curriculum Focus

Here are some fun Creative Curriculum activities all about the Blue Abyss for you to choose from! We hope that you enjoy them! ☺

- Choose a coastal resort or holiday destination that you have travelled to or that you would like to travel to in the future. You could write an information brochure or travel and tourism guide for this place or you could design and write a postcard describing all of the fun activities that you can do!
- Create an information PowerPoint all about different sea creatures, their habitats, food chains and other interesting facts about them.
- Design an 'Under the Sea' or 'Marine Creatures' board game! You can make counters, challenge cards and activities to complete! You could then play your board game with a family member! Have fun! ☺

Don't forget...

There are some fun PE activities on the Born To Move Website: I will send the new link for this week via Twitter soon. ☺
