

# Remote Learning Plan

## Rigby Year 4

08/06/20 – 12/06/20

### Literacy Core Learning

- Dictionary work
- Create mind maps
- Create a quiz
- Create a mini biography
- Writing a paragraph about someone who inspires you.
- Create a book if inspiration.

### G.P.S. Focus

Sign in to Kids Classroom Secrets and complete the following activities/games (click on the links):

1. [Year 4 Spring Revision](#)
2. [Formal and Informal Language](#)
3. [Editing writing game](#)

This week's spelling rule is words ending in -ous (No change to root word). A PowerPoint and activities have been sent to your Purple Mash email.

### Activities for the week ahead:

This week you will be exploring people who inspire us. Delve into facts and find out why these people are inspirational. **Please complete these activities at your own pace and just do as much as you are able to ☺**

### Mathematics Core Learning

This week we will be focusing on decimals and division. We will be dividing by 10 and 100 and consolidating our knowledge of hundredths as decimals.

### Key Vocabulary:

Represent, bar model, fractions, decimals, number line, tenths, array, division, decimal place, hundredths, place value.

### Activities for the week ahead:

**All numeracy activities will be sent via email on Purple Mash this week. Each worksheet will be sent and links to the videos.**

**Lesson 1- Tenths as decimals**

**Lesson 2- Divide 1 digit by 10**

**Lesson 3- Hundredths as decimals**

**Lesson 4- Divide 1 or 2 digits by 100**

**Additional activities have been set on Mathletics and Prodigy.**

On Friday, I sent log in details (on your Purple Mash email) for a new numeracy game I would like you to try:

<https://www.prodigygame.com/>

This is a brilliant game to work on all your maths skills. Some of you have already tried it and I have had lots of emails saying how much fun it is. Try and have a go this week ☺

### Creative Curriculum Focus

Here are some fun Creative Curriculum activities all about the Blue Abyss for you to choose from! We hope that you enjoy them! ☺

- Choose a coastal resort or holiday destination that you have travelled to or that you would like to travel to in the future. You could write an information brochure or travel and tourism guide for this place or you could design and write a postcard describing all of the fun activities that you can do!
- Create an information PowerPoint all about different sea creatures, their habitats, food chains and other interesting facts about them.
- Design an 'Under the Sea' or 'Marine Creatures' board game! You can make counters, challenge cards and activities to complete! You could then play your board game with a family member! Have fun! ☺

### Don't forget...

There are some fun PE activities on the Born To Move Website:
