- Writing a letter

Please see attached plan on Purple Mash

G.P.S. Focus:

Re-cap all grammar features.

Use Mc-Grammar link on twitter for help.

Guided Reading.

Finish all book club activities.

Activities for the week ahead:

Hygiene, Health and Heroes: This week explores all things to do with health, hygiene and heroes. What is a microbe? Which scientists made important advances that impact our lives today? What is the NHS and who do you consider a hero in this current climate?

Mathematics Core Learning

Summer term-Week 7

PLEASE SEE ATTACHED PLAN AND LINKS ON PURPLE MASH.

1. Decimals as fractions
2. Understand thousandths
3. Rounding decimals
4. Order and compare decimals

Key Vocabulary:

- Fraction
- Equivalent Fractions.
- Compare.
- Order.
- Denominator
- Numerator

Activities for the week ahead:

- Athletics challenges.

Creative Curriculum Focus:

Our new topic is called Gallery rebels.

Each week we are going to focus on a different art movement. This week our focus is on Pop Art from 1960s. Your task is to research the movement, find out some facts about the key artists and look at some pieces of art. What do you like/dislike about this movement? What are the differences from realism, impressionism and cubism? Create your own piece of art based on this movement using whatever art materials you have at home.

If you can, create your own art movement sketch book so all of your art work over the next 6 weeks is together.

Don't forget...West Lancashire P.E:
