Creative Curriculum Focus

Take a look at the Power Point on Castles. Read all about the different features of a castle and answer the questions. Can you label parts of a castle? (See PM).

Can you design your own coat of arms? What will you put on it? (See PM). Why not design a coat of arms for your family.

Think about what is important to you and your family.

Find lots of interesting facts about castles on the following web page

<https://www.warwick-castle.com/explore/castle/history-unlocked/>

Remember to discuss any key vocabulary and new words that you discover with your child - **Wall, drawbridge, moat, tower, arrow slit.**

Don't forget...

Remember to keep fit by using the Born to Move website.
