

# Remote Learning Plan

## Rigby YEAR 3

15/06/20 – 19/06/20

### Literacy Core Learning

#### Activities for the week ahead:

Our Literacy activities this week are all about different characters! The tasks are:

- Learning about Mister Cleghorn
- Reading about the characters from Roald Dahl's text 'Esio Trot'
- Reading the opening to the text 'Yours Sincerely, Giraffe'
- Writing a mini-poem
- Writing a response to Giraffe
- Creating illustrations to match texts
- Making a set of Top Trump cards!

The links for these activities will have been emailed to you on Purplemash.

#### Phonics/G.P.S. Focus

Our spellings this week are once again linked to the /zhuh/ sound being spelt like 'sure'. These include furniture, creature and culture.

The PowerPoint for these spellings have been sent to you on Purplemash. I have also sent a Look, Cover, write, Check! Activity to help you to learn these words. 😊

A PowerPoint Quiz focussing on the correct use of punctuation has also been sent to you on Purplemash. Click on the correct answers! I hope that you have fun and you could even create your own super sentences or a quiz!

### Mathematics Core Learning

We are learning about fractions and we will be adding and subtracting them and completing problem solving activities. Please remember that this is new learning so complete the parts that you can and use the videos and answer sheets to help you.

#### Key Vocabulary:

fraction, part, denominator, numerator, part model, bar model, addition, subtraction, whole, simplify, equivalent.

#### Activities for the week ahead:

##### Lesson 1- Ordering Fractions

Use your developing knowledge of fractions to place them in order.

##### Lesson 2- Adding Fractions

Use the bar models, part-whole models and diagrams to help you to add fractions with the same denominator together.

##### Lesson 3- Subtracting Fractions

Use the bar models, part-whole models and diagrams to help you to subtract fractions. Remember that when the numerator and the denominator are the same that the fraction is a whole.

##### Lesson 4- Problem Solving with Addition and Subtraction of Fractions

Here are a selection of word problems and problem solving activities linked to fractions. Don't forget that you can also complete activities on Times Table Rockstars and Mathletics! Have fun! 😊

### Creative Curriculum Focus

Here are some fun Creative Curriculum activities all about our new topic Predators 🐾

- Can you find out what the terms 'producer', 'consumer', 'apex predator' and 'decomposer' mean? Have a look here: [https://www.youtube.com/watch?time\\_continue=5&v=0ZOvqYypOuo&feature=emb\\_logo](https://www.youtube.com/watch?time_continue=5&v=0ZOvqYypOuo&feature=emb_logo) to find out lots of information about the different food chains.
  - Why not have a go at some Food Chain Challenges found here : <https://www.bbc.co.uk/bitesize/topics/zbnnb9q>
  - Pick your favourite predator and find out about its diet and habitat- you could create a poster or fact file.
  - Design a new species, could you create a new consumer or predator. Think about its habitat, diet and what it needs to survive.
- We hope you enjoy these activities! Have fun! 😊

#### Don't forget...

There are some fun PE activities on the Born To Move Website:
