Creative Curriculum Focus

This week is the start of Children's Art Week, this will last for 3 weeks and each week has a theme. This week's theme is 'The Natural World', we have planned some activities around this theme:

1. Can you create a natural world viewfinder- follow this link to find out how to make one: <https://youtu.be/ZlZaaPOAB8>
2. You could take a family walk along the canal in Parbold, you could take some pictures of all the different animals/habitats you see. Then you could take the photograph and turn it into a pencil sketching or a painting.
3. Why not have a go at drawing a bird. We have sent step by step instructions to you on Purple Mash.
4. If you don't want to complete Art this week, why not research the job role of a Wildlife Biologist: - you could create a job advert or find out all about any famous biologists **We hope you enjoy these**
