

Remote Learning Plan

Rigby YEAR 3

29/06/20 – 03/07/20

Literacy Core Learning

Activities for the week ahead:

Our Literacy this week is all about 'Up, Up and Away!' This is part two of the activities and it continues from last week. The activities are:

- Learning about the Kite Festival in Lytham
- Writing a set of instructions to make a kite
- Finding out about hot air balloons
- Designing a flying machine
- Writing a story about flying

The links for these activities will have been emailed to you on Purplemash as a separate document.

Phonics/G.P.S. Focus

Our spellings this week are words that contain silent letters. These include wrapper, knife, doubt and calm. Can you think of any other words that contain silent letters? Have fun investigating!

The PowerPoint for these spellings have been sent to you on Purplemash. I have also sent a really fun activity called 'Crack the Code' which is based upon your spelling words! ☺

A PowerPoint about making nouns using prefixes has also been sent to you. Can you make lots of new words using these prefixes? Have fun. ☺

Mathematics Core Learning

We are learning about length, 3-d shapes and their properties and telling the time this week! There are lots of things for us to cover so you may wish to spend a bit of time on each topic or just choose the activities that you wish to complete.

Key Vocabulary: length, millimetre, centimetre, accurate, vertices, faces, edges, cube, cuboid, sphere, square-based pyramid, cylinder, clock face, second hand, minute hand, hour hand, time, minutes, seconds, hours, half past, quarter past, o'clock.

Activities for the week ahead:

Lesson 1- Drawing accurately

Use the rulers to draw lines of certain lengths! Remember to be accurate!

Lesson 2- 3-d shapes

Can you recognise and describe the properties of these 3-d shapes?

Lesson 3- 3-d shapes

Describe these 3-d shapes and their properties.

Lesson 4- Telling the time

Can you tell the time on these clocks? Have fun! Don't forget that you can also complete activities on Times Table Rockstars, Prodigy Maths and Mathletics! Have fun! ☺

Creative Curriculum Focus

This week is the start of Children's Art Week, this will last for 3 weeks and each week has a theme. This week's theme is 'The Natural World', we have planned some activities around this theme:

1. Can you create a natural world viewfinder- follow this link to find out how to make one: <https://youtu.be/ZlIzAaPOAB8>
2. You could take a family walk along the canal in Parbold, you could take some pictures of all the different animals/habitats you see. Then you could take the photograph and turn it into a pencil sketching or a painting.
3. Why not have a go at drawing a bird. We have sent step by step instructions to you on Purple Mash.

If you don't want to complete Art this week, why not research the job role of a Wildlife Biologist: - you could create a job advert or find out all about any famous biologists We hope you enjoy these activities!

Don't forget...

There are some fun PE activities on the Born To Move Website:
