Activities will be based on Meerkats.

Please see attached plan on Purple Mash.

Mathematics Core Learning

White Rose Math Summer Term Week 11

- * Finding a half
- * Finding a quarter

Key Vocabulary:

Half, whole, share, equally and quarter

Activities for the week ahead:

Log in to your mathseeds account and find a range of activities linked to this week's maths.

Find a range of math resources here

<https://nrich.maths.org/8939>

Creative Curriculum Focus

Art and Design - The Japanese art of Hapa-zome.

Go on a lovely walk and collect a range of leaves, berries and flowers. When you are home, try making a piece of art.

Position your natural materials on a piece of cotton fabric cover with another piece of fabric or kitchen roll. Hammer all over the top layer until the dye can be seen seeping through.

Then take off the top layer and the leaves and flowers. You should have an imprint left of your material. (See Purple Mash for full plan)

Don't forget...

Remember to keep fit by using the Born to Move website.

https://borntomove.lesmills.com/media/BORN+TO+MOVE+13+6-7+Tennis+Player/0_nxw931vm/130160062

Collins Big Cat website for more books to read at home.
