

Remote Learning Plan

Rigby YEAR 3

06/07/20 – 10/07/20

Literacy Core Learning

Activities for the week ahead:

Our Literacy this week is all about monsters and monster mayhem! The activities are:

- The story of 'The Monster-crisp Guzzler!'
- Hotel Transylvania
- Creating your own monster
- Drawing and labelling a monster
- Reading the poem 'The Monster Sale'
- Retelling a story
- Reading an extract from the text 'Stitch Head'

The links for these activities will have been emailed to you on Purplemash.

Phonics/G.P.S. Focus

Our spellings this week are words that contain silent letters. These include whale, honest and gnome.

The PowerPoint for these spellings have been sent to you on Purplemash. I have also sent a fun activity called 'Roll a Word' and a Look, Cover, Write, Check sheet that contain this week's spellings! I hope you have fun learning them!

A PowerPoint about how to write in paragraphs has also been sent to you to have a look at if you wish.

Have fun completing these activities. ☺

Mathematics Core Learning

We are learning about measuring mass and capacity this week! You could complete lots of practical measuring tasks at home and even bake a cake or make a new drink!

Key Vocabulary:

Measure, mass, add, subtract, weigh, liquid, volume, grams, kilograms, litres, millilitres, capacity.

Activities for the week ahead:

Lesson 1- Measuring Mass Can you record the mass of the objects?

Lesson 2- Comparing Mass Can you compare different masses and measurements?

Lesson 3- Add and subtract mass Can you add and subtract the different masses?

Lesson 4- Measure capacity Can you identify the volume of the liquids in the containers?

Don't forget that you can also complete activities on Times Table Rockstars, Prodigy and Mathletics! You could also make some times table cards and play matching or sorting games with them. I have also sent you some target sheets to help you to learn some of your times tables! Have fun! ☺

Creative Curriculum Focus

We are continuing with our topic all about Predators this week! Here are some activities that you may wish to complete!

- Can you find out about a range of birds of prey, their habitats and features?
- Make a board game or a card game all about different animals, habitats and food chains! You could then play this game with your family!
- Write a story or poem all about animals and their homes.
- Can you find out about animals from different countries and locate these places on a map or in an atlas?
- Can you find out about the different scientific classifications of animals? Reptiles, amphibians, mammals, etc.
- Create a poster about how to look after wildlife in your local area.

We hope you enjoy these activities! Have fun! ☺

Don't forget...

There are some fun PE activities on the Born To Move Website:
