

Remote Learning Plan

Rigby Year 4

13/07/20 – 17/07/20

Literacy Core Learning

- Write a scene.
- Produce a fact file
- Write a product review
- Design your own cracking contraption
- Write an explanation text.

G.P.S. Focus

This week for your spellings I want you practise some of the Year 3/ 4 words on Spelling Frame:

<https://spellingframe.co.uk/spelling-rule/44/26-Word-list-years-3-and-4---br--to-ce->

Can you visit MC Grammar and listen to all the different grammar raps. Maybe you have found some of our grammar activities hard to remember, see if these raps help or can you learn any new grammar from them. Then try and apply this to your writing this week.

<https://www.theteachertrain.com/mc-grammar>

Activities for the week ahead:

This is a fun film week based around Wallace and Gromit. Enjoy some of the films, find out about their creator and get creative yourself!

Please complete these activities at your own pace and just do as much as you are able to ☺

Mathematics Core Learning

This week we will be focusing on symmetry and coordinates. We will be looking at lines of symmetry, completing a symmetric figure, describing positions and drawing on a grid using coordinates.

Vocabulary:

Symmetrical, symmetry, shape symmetric, map, grid, coordinates, vertices, triangle, point.

Activities for the week ahead:

All numeracy activities will be sent via email on Purple Mash this week. Each worksheet will be sent and links to the videos.

Lesson 1- Lines of symmetry

Lesson 2- Complete a symmetric figure

Lesson 3- Describe position

Lesson 4- Draw on a grid

Additional activities have been set on Mathletics and Prodigy.

You all have log in details (on your Purple Mash email) for a numeracy game, that some of you have already been playing. If you can have a go this week ☺

<https://www.prodigygame.com/>

You can find lots of symmetry games here:

<https://www.topmarks.co.uk/Search.aspx?q=symmetry>

Creative Curriculum Focus

This week is all about having fun:

- Can you draw and describe your favourite animal, explaining your reasons why it is your favourite.
- Choose your favourite physical activity- it could be playing on a trampoline, running, cycling, going for a walk or just playing catch in the garden. Then think about why exercise is so important, how does your body react and how much exercise you need. Have a look here for more information:
<https://www.bbc.co.uk/bitesize/topics/zpfkixs/resources/1>
- You could think about creating a summer diary, to record all the exciting things you do over the summer holidays.
- You could even try and learn how to say hello and goodbye in as many languages as you can (We have sent you a PowerPoint on Purple Mash to get you started ☺)

Don't forget...

There are some fun PE activities on the Born To Move Website:

[Please see our PE links on Twitter ☺](#)
