

Remote Learning Plan

Rigby YEAR 3

13/07/20 – 17/07/20

Literacy Core Learning

Activities for the week ahead:

Our Literacy this week is all about having 'Fun with film!' We will be thinking about characters and settings and how they have been portrayed in films and media clips. The activities included are:

- Thinking about feelings within video clips
- Generating questions to ask characters
- Reading and watching animations for a range of poems
- Writing sentences about parts of video clips
- Exploring and discussing new vocabulary
- Watching 'The Lego Story'

The links for these activities will have been emailed to you on Purplemash.

Phonics/G.P.S. Focus

Our spellings activity this week is to help Mr Whoops spot his spelling mistakes! The words are a variety of words that you will have learnt and practised during your time in Year 3. Have fun helping Mr Whoops to identify and correct his mistakes! ☺

The PowerPoint with Mr Whoops spellings has been sent to you. I have also sent a spelling activity pack based upon this PowerPoint and a missing word activity. A PowerPoint about adverbs and how they are used has also been sent to you.

I have also sent to you some more Henry the Elephant text, quizzes and printable worksheets! I will send a new text this week also! Have fun completing these activities.

Mathematics Core Learning

We are learning about capacity, pictograms and bar charts.

Key Vocabulary:

Capacity, volume, ml, l, greater than, less than, add, subtract, total, Handling data, interpret, record, data, pictograms, bar chart, intervals, tally chart, title, most popular, least popular.

Activities for the week ahead:

Lesson 1- Comparing Capacity

Can you compare the different amounts of liquid and use the correct standard units of measurement?

Lesson 2- Add and Subtract Capacity

Can you add and subtract different amounts of liquid?

Lesson 3- Pictograms

This lesson is all about reading information from pictograms and inputting data onto them.

Lesson 4- Bar Charts

This lesson is all about reading and interpreting information from bar charts.

Don't forget that you can also complete activities on Times Table Rockstars, Prodigy Maths and Mathletics! Have fun! ☺

Creative Curriculum Focus

This week is all about having fun:

- Can you draw and describe your favourite animal, explaining your reasons why it is your favourite.
- Choose your favourite physical activity- it could be playing on a trampoline, running, cycling, going for a walk or just playing catch in the garden. Then think about why exercise is so important, how does your body react and how much exercise you need. Have a look here for more information: <https://www.bbc.co.uk/bitesize/topics/zpfkixs/resources/1>
- You could think about creating a summer diary, to record all the exciting things you do over the summer holidays.
- You could even try and learn how to say hello and goodbye in as many languages as you can (We have sent you a PowerPoint on Purple Mash to get you started ☺) Have fun!

Don't forget...

There are some fun PE activities on the Born To Move Website:
