07/09/20

Personal, Social, Emotional Development (PSE)	This week, we will finalise our agreed set of Golden Values which we will strive to adhere to throughout the year. The children will bring a copy of our values home in order that you can support their reinforcement. There is still time to email some pictures from home for our digital frame.
Communication & Language (CL)	We will start our 'Show and Tell' sessions this week. Each week 2 children are invited to talk to their classmates about something which interests them as the rest of us practice our listening skills.
Physical Development (PD)	As our PE sessions will begin this week, we will support the children to get changed for PE, with an initial focus on putting pumps on correct feet and ensuring shoes/jumpers/bags etc. stay with the correct owner!
Literacy (LD)	Our focus sounds this week are i,p,n, and we will manipulate sounds to create real and made up words. We will share traditional stories and discuss where they are set, who the characters are and what happens.
Mathematical Development (MD)	Numberblocks supports much of our mathematical focuses and this week we will think about what numbers 3,4 and 5 are made up of e.g. 3 is made up of 2 and 1. We will develop our knowledge of subitising which is the ability to see items without counting such as you would when using a dice.
Understanding the World (UW)	We will talk about the changes we will see as autumn progresses. As you are out and about please collect any autumn treasures such as conkers, acorns, pinecone, leaves etc. and send them in.
Expressive Arts & Design (EAD)	The children will each make a 'reading stick' in our workshop. This should be kept with their reading books and used to point to words or pictures in reading books to aid focus.
Other Information	<p>Next week we plan to make 'Super Soup'. Please send in a named small plastic container with a lid in order for your son/daughter to bring home some delicious Super Soup for you to try! We will need it by <u>Wednesday 16th September.</u></p> <p>Don't forget to check our Twitter page, I aim to Tweet everyday! You don't have to have a Twitter account to access the page. @twitter - https://twitter.com/newburghcrane</p> <p>Your Tapestry account has continued and your child's journal has had new observations added to it. Once you have seen an observation, please click the thumbs up to confirm you have viewed it.</p>

Any questions please see me after school
