

Nursery Home Liaison

5th and 12th October 2020

Our story for the next two weeks is 'After the storm'.

Personal, Social, Emotional Development (PSE)	The children will have lots of opportunities to role play the story and use their imagination to build the final tree house for all the animals. We will also consider how kind and helpful Percy is and how we can be kind friends in nursery.
Physical Development (PD)	The children will use the playdough to make woodland animals and use resources to support this for example match sticks for the hedgehog spikes. We will also make jam sandwiches similar to the story.
Communication & Language (CL)	The children can use the sequence cards to order the story during the small world play. We will also complete a sinking and floating experiment to consider what would be a good boat similar to the wheelbarrow used in the story.
Literacy (LD)	Children will have lots of opportunities to mark make a variety of woodland animals. We will focus on the 'S' sound for storm .
Mathematical Development (MD)	The children will continue with focusing on numbers 1-4 however we will be counting beyond as we count out all the animals in the story.
Understanding the World (UW)	We will set up an investigation table in nursery. We will add an acorn or conker to some water and predict what might happen to it. We will also look a variety of different weathers and record the weather throughout the week.
Expressive Arts & Design (EAD)	The children will collage an autumn treasure picture and take a picture using the iPad. We will also be constructing our own animal homes using a variety of resources such as wooden blocks and cardboard boxes etc.
Nursery Challenge	As the weather is turning colder please can you support your child being independent such as putting on their own coat. Also, having a go at doing their own shoes especially practising for forest school. Thankyou ☺
Other Information	<p> Please follow us on our twitter @NewburghNursery.</p> <p>We also have a notice board by the Nursery door which contains useful information.</p> <p>Please can your child bring in their own water bottles with their names on.</p> <p>Important Dates: Break up for half term - Friday 23rd October</p> 

If you have any questions please see one of the nursery staff. Thank you for your continued support.

Janet Verrill, Charlotte Menarry and Louise Renner
