Crane

16/11/20

Personal, Social, Emotional Development (PSE) & Communication & Language (CL)	Using Tapestry entries as prompts, we will spend our time catching up with one another as we take turns in talking about our time at home.
Physical Development (PD)	<p>We will build on our new found Bhangra dance skills as we look forward to dancing as a whole group.</p> <p>We will also be proud that, although someone in our bubble had a virus, all the precautions we take such as regular hand washing and lots of fresh air, meant that have all stayed safe and healthy.</p>
Literacy (LD)	<p>Our phonic focus will be to recap our learning so far and the children will each come home with a set of phase 3 tricky words to add to their tricky word book at home.</p> <p>We will have a go at retelling the story of Rama and Sita and see how much we can remember.</p>
Mathematical Development (MD)	This week, we will use money to buy our snack and share our knowledge of counting backwards.
Understanding the World (UW)	Diwali has given us a great opportunity to develop our understanding of a wider world. We will share the information with have learnt with one another which will mean extending and consolidating our own knowledge.
Expressive Arts & Design (EAD)	We will repeat many of the activities carried out at home such as making rangoli patterns, designing mehndi, making Diwali cards and creating divas.
Other Information	<p>Thank you for engaging so readily in last week's remote learning. You all did a tremendous job, whilst juggling everything else!</p> <p>We will carry out henna patch test on Tuesday and will create mehndi hands on Wednesday.</p> <p>Don't forget that children are to wear bright clothes on Thursday and don't forget Nursery Rhyme show and tell for all next week, culminating in Nursery Rhyme Themed Mufti day on Friday.</p>
