

"The Spirit of Christmas"

PARBOLD

Too much has had to pass without recognition this year and Christmas events have also been a casualty, but MythMakers are bringing "The Spirit of Christmas" to your door!

Our beautifully decorated vehicle will be travelling around the village starting at 4.15pm on the evening of Sunday 13th December, playing Christmas tunes throughout. We'd love to see you in your front gardens, on the pavement, or even just at the window. Get together over the fence with neighbours with mince pies and mulled wine in hand and listen out for the bells (just like the kids will listen out for Santa's sleight on Christmas Eve!)

We have a route which covers most of the roads in the village and we'll try to stick to the timings as much as we possibly can, but please be patient with us, it's not something we can completely replicate in order to get very specific timings prior to the event.

Please adhere to social distancing rules, do not congregate in large groups in any one area, and do not attempt to follow the van for any distance - We're bringing it past your front door to ensure everyone's participation, at the same time as ensuring everyone's safety.

The van will then continue up the A5209, left in to Lancaster Lane, left again to Tanhouse Lane and (by this point it will be driven at a normal speed) left past the shops to Coffee Etc.

We apologise in advance for the roads we have been unable to include, but some are simply too narrow to be able to turn the van around and therefore we hope those residents will join us on one of the adjoining roads instead.
