5th January 2021

Dear Parents/Carers

Newburgh Nursery

Firstly, thank you for your support with the quick turn-around of events due to the latest government guidance. As nurseries have been allowed to stay open we would like to still offer ALL our nursery children their usual nursery place as normal starting from Wednesday 6th January 2021.

We will be open as normal from 9am to 3.30pm and continue to operate within our EYFS bubble with EYFS staff.

If you do not want your child to attend during this period we will provide online learning via Tapestry similar to previous lockdowns. Remote learning will consist of three home challenges (Monday, Wednesday and Friday) along with individual or keyperson messages on Tuesday and Thursday each week.

We will continue with the home nursery liaison to keep you informed with what is taking place in our nursery setting as well as sharing any important announcements.

Please check Tapestry regularly throughout the week as it is a great way of communicating. Likewise, if you do have any concerns or queries you can add a message on to Tapestry and a member of staff will respond as soon as possible.

We would appreciate it if all parents/carers can respond to bursar@newburgh.lancs.sch.uk if they would like their child to attend (with their days) so that we can continue to put our plans in place. To establish the viability of wrap around provision, please can you also indicate if you would require Breakfast and Afterschool Club.

Many thanks for your continued support,

Rebecca Fowler
Headteacher
