

Team Rigby Summer Term Optional Homework Grid

Misty Mountains/The Roman Invasion

Create an informative PowerPoint about the different summits and mountains around the world.	Use maps, atlases and Google Earth to locate different mountain ranges and find out facts about them.	Create a model mountain or volcano! Can you make it erupt?!
Write a mountain poem or a story about a challenging climb to the top of a mountain. How will your mountaineer survive and complete the challenge of a lifetime?	Design and make a Roman recipe. You could write the method and also take photographs of your creation.	Create an animation on Purple Mash, you could create a scene with your favourite animal.
Paint a watercolour scene or sketch of a mountain scene. Use different tones and shades or lines with your pencil to create atmosphere, depth and height.	Write a water cycle song, poem or rap. Can you remember all of the scientific vocabulary and the different stages of the water cycle?	Write a fact file, leaflet or poem about the Romans.
