Dear Parents, Carers & Children

We've had some wonderful stamp designs for the Royal Mail competition. Monday is the deadline to send in your designs so they can be entered into the nationwide competition.

Our Summer Term reading challenge has started. All school children have a card to be signed once they have read for 15 minutes. We are aiming to read collectively for 60,000 minutes this term.

We've had another fantastic week here despite the weather. Team Nursery have been looking after their teddies in their veterinary role play. Team Crane have continued their topic on dinosaurs. Team Halton have been continuing their plant research. Team Lucas have been writing persuasive house adverts to sell the Gingerbread House. Team Rigby have also been studying plant structure and continuing their Roman topic and Team Venables have been writing science fiction stories.

Please be aware we send children out to play in all weather conditions. If bad weather is forecast they will need a coat in school.

Next week Victoria Hough will be working with all school and Nursery children on a new art installation. Victoria worked with all our children a few years ago on the installations pictured. The installation created this time will feature our 6 values and a very important message. Fathers Day Hamper Raffle Tickets will go on sale next week on Parent Pay to fundraise for this project.

Warmest Regards,

### Wilton House Farm Shop

We are thrilled to be entering into a collaboration with Wilton House Farm Shop (opposite school). The grand opening has unfortunately been delayed. Once the shop fully opens we will send home a card with each child. If you show the card at checkout a 5% donation will be made to school.
