

Dear Parents, Carers & Children

We've had an extremely productive week here at Newburgh. Our children have settled back to school wonderfully and we are so proud of all the progress they have made across this year. The dedication and resilience shown by all our children is truly impressive. We intend to keep aiming high for the rest of the school year with a broad and engaging curriculum for all.

This week Team Nursery have been doing lots of Gruffalo themed activities including making "Gruffalo Crumble". Team Crane have been tie-dyeing t-shirts to make a rainbow. Team Halton have been learning about money. Team Lucas visited church as part of their R.E curriculum. Team Rigby have been learning Dance in P.E. and Team Venables have been learning about the Olympics.

During the week commencing 5<sup>th</sup> July our Year 1 – 6 children will participate in the NSPCC **Speak Out Stay Safe** programme. There is a letter attached to this Newsletter with more information about this.

We are very aware of all the birthday parties and celebrations our children have missed over the past 15 months so our School Council have met to discuss plans for us to recognise birthdays in school from September. They have had lots of ideas which will be voted on in classes so watch this space!

Lancashire Libraries launch their SCART (Science, Culture, Active, Reading, Technology) Club on Saturday. For more information please see our new Reading at Home page on the website under Information for Parents/Carers.

Finally don't forget to keep logging your 15 minutes reading time to get Team Newburgh to 60,000 minutes this term!

Warmest Regards,

# Newburgh CE School & Nursery

## Newsletter

25/06/2021

### What new words/vocabulary have you learned this week?
