Crane

28/06/21

Personal, Social, Emotional Development (PSE) Communication & Language (CL)	We will begin our sports day practices and as we do so we will talk about sportsmanship and our feelings as win, lose and try our best.
Physical Development (PD)	We will practice for sports day and think about sport we enjoy, watch and take part in and the benefits of an active lifestyle.
Literacy development (LD)	As our effort jar is almost full (again!), we will write a list of ideas of rewards.
Mathematical Development (MD)	We will continue to securing our knowledge of the composition of number including doubling and halving.
Understanding of the World (UW)	We will start to think about what the Olympic games are about and talk about other countries we know.
Expressive Arts & Design (EAD)	We will experiment with a selection of ingredients for us to combine such as oil, water, flour, vinegar.
