Newsletter

02/07/2021

Dear Parents, Carers & Children

You will all be receiving your child's school reports today. We hope you are as proud as we are of the achievements of your children during such a difficult year. I can not thank each of you enough for the input and dedication you have shown in supporting your children this year. I am confident that the children will continue to go from strength to strength and build on their successes to date.

Our Year 3 and 4 children had an amazing Roman Day on Monday. Their costumes were stunning and they enjoyed lots of activities such as meeting a Roman soldier on Zoom; participating in a battle on the school field; creating mosaics and having a Roman banquet. It was a fabulous experience for them all.

Our Nursery children have started to practice their singing for the recorded video we will send to parents and our school children have started to practice for our Olympic Sports Day next week.

If we are to run Sports Day with spectators safely we are unable to provide toilet facilities; we will be recording who attends for track and trace purposes and we would encourage you to take an LFT test prior to attending. If Sports Day has to be cancelled for any reason we will give you as much notice as possible and you will receive a notification through the School App.

We're very sorry that James who has been providing music lessons to Teams Rigby & Venables along with our Choir Club has decided not to continue working with us from September. We are currently exploring our options to ensure the quality continuation of the music curriculum in school.

Finally don't forget to keep logging your 15 minutes reading time to get Team Newburgh to 60,000 minutes this term! We have now read for 44,540 minutes with two weeks to get to our target. Could Year 3 please remember to have their cards in their reading packets each day so we can include all their times in our total?

Warmest Regards,

Newburgh CE School & Nursery
