

Home School Liaison

Crane

05/07/21

Personal, Social, Emotional Development (PSE) Communication & Language (CL)	We will continue to think about sportsmanship as we approach Sports Day on Friday and we will also support one another as we look towards our move to Year One. On Wednesday we visit our new classroom with Miss Helm and Mrs Jenkinson and we will consider any advice we have for the new Reception class.
Physical Development (PD)	Throughout the week, we will practice our sports day activities and we will prepare sandwiches for Friday's Teddy Bears Picnic.
Literacy development (LD)	Using our phonetic knowledge, we will write a letter to the new Reception class with our words of wisdom.
Mathematical Development (MD)	We will continue to securing our knowledge of the composition of number including doubling and halving.
Understanding of the World (UW)	We are eagerly following the metamorphosis of our 5 hungry caterpillars and are optimistic that by the end of the week, we may have some painted lady butterflies to care for.
Expressive Arts & Design (EAD)	We will experiment with a selection of ingredients for us to combine such as oil, water, flour, vinegar.

Diary Dates

9th July-Sports Day & Teddy Bears Picnic. We will send home P.E. kits this week in order that children can come to school dressed in them on Friday, they may wear trainers too. Children can also bring to school a teddy for our Teddy Bears Picnic Forest School. We have talked about what size teddy we should bring and have agreed that teddies should be a sensible size.

16th July-Team Crane Family Forest School. Please make sure you have 'liked' our Tapestry entry added to journals on 2nd July 2021.

WB12.07.21-Tapestry Journals will be available to upload.

We will send home wellies this week or next. If any wellies are too small and you have no-one to pass them on to, then we would be grateful if you returned them to us so we have a few spare wellies for emergencies! Children will need wellies next year for Forest School on Fridays.
