Dear Parents, Carers & Children

This has been the hardest week to date for us. To our children currently isolating, we are not complete without you. Thank you for staying home and keeping our community safe. We will stay in contact with you using Purple Mash (Years 1-6) and Tapestry (Nursery and Reception). We are holding a whole school Zoom worship on Monday morning at 10am and details to join this will be sent to you.

Our Nursery children participated in their Sports Day Skillwise event this morning – thank you to those parents who attended and joined in. Our Reception children had their Family Forest School afternoon as well – thank you also to those parents able to attend. We hope this has given you a flavour of the opportunities our children have here every day throughout their time here at Newburgh.

We are painfully aware that our planned open afternoons for you all had to be cancelled. Our children have been desperate to celebrate with you all and show their work to you so we have produced some presentations for Years 1 – 6 which will be shared next week. We are so proud of all that our children have overcome and achieved through this challenging time.

Team Newburgh excelled in their challenge to read 60,000 minutes so we have set another challenge for over the summer holidays. This is in reading packets tonight, or isolating children can see our [Reading at Home](#) page of the website

Next week Team Halton are having a Teddy Bear's Picnic on Monday so children are invited to bring a teddy bear/soft toy for this event.

Please keep referring to our [Transition 2021](#) page of the website if needed to help prepare children for September 2021.

Finally, the PTA will be holding a pre-loved uniform sale after school on the playground on Monday.

Warmest Regards,

Our Gospel Values are:-

Thankfulness
Forgiveness
Friendship

Respect
Hope
Trust
