

**10.30am 25<sup>th</sup> July - Family Service - “Coming Together as Christians”**

It's been a while! Join us for a Family Service, **in church**, based around many songs and scripture readings personal to families within our congregation. Be prepared, too, for a craft activity! Whilst this will be the first service held in church following the lifting of government restrictions, an area of the church will still be set aside with distanced seating for those that prefer it. We want everyone to feel welcome.
