Dear Parents, Carers & Children

**Welcome back everyone!** It has been wonderful to have all our children back together again for break times, meal times and Collective Worship. Our children have all returned with smiles and enthusiasm for the year ahead. Our new Reception children have settled in so well to the new routines and are already enjoying their time here at Newburgh.

**Inhalers** – we sent all inhalers home at the end of last year. If your child still needs their inhaler please bring one to the school office by next Friday so we can keep them on our asthma record.

**Reading Bingo** – please return your summer reading challenge bingo cards by Wednesday in order for certificates to be distributed next Friday.

**PTA** – our wonderful PTA have provided all our Reception children with the gift of a book to start their reading journey at Newburgh. This will be just one of the many things these children will benefit from thanks to their work. We will be writing to you about the PTA and how you can support them next week.

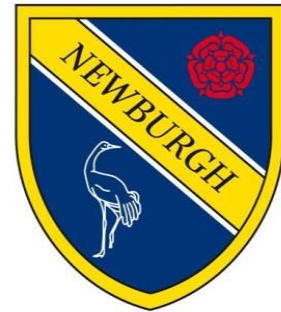

**PE** – PE starts again from next week so please ensure children have their PE kits labelled and in school. Our PE providers have stated that children can no longer wear jewellery (earrings, bracelets, necklaces) to participate in PE lessons for health and safety reasons unless there is a particular exception that school is aware about.

**School Admissions** – The online system to apply for school places in September 2022 is already open. Our Nursery families who wish to apply for a school place here can do so [here](https://www.newburgh.lancs.sch.uk/admissions).

And finally Mrs Bolton gave birth this morning to a healthy baby boy; earlier than expected but both are doing well. We send many congratulations to her and her family.

Warmest Regards,
