

Nursery Home Liaison

13th and 20th September 2021

Our theme for the next two weeks is: Owl Babies.

Personal, Social, Emotional Development (PSE)	The children will be able to share and discuss their own families and who is part of it. They will consider the feelings of the baby owls and compare them to our feelings during different events such as returning back to nursery.
Physical Development (PD)	During our hall activities the children will begin some yoga sessions and think about how owls move such as swooping to calm music. We will introduce some breathing strategies to help us in certain situations.
Communication & Language (CL)	The children will be sharing our story of the fortnight together and looking at a range of nonfiction books to support their knowledge and extend their vocabulary about owls. We will become owl experts!
Literacy (LD)	The children will be able to independently mark make maps and journeys of the mummy owl in the story and look at real maps to develop and enhance their vocabulary.
Mathematical Development (MD)	The children will start counting using the soft puppet owls for example counting the total of eyes or beaks etc. We will use a range of number jigsaws and number block cards to support this.
Understanding the World (UW)	During forest school the children will go on a hunt for owls, feathers, nests and we will work as a team to build our own nest for the owls to keep them safe.
Expressive Arts & Design (EAD)	Finally, the children will be able to independently create their own owl faces in the workshop or use natural resources during forest school and in our outdoor area.
Nursery Challenge	As a family we would like you to participate in your own mindfulness or yoga session. Attached is a link with some basic breathing strategies or you could use cosmic kid's yoga channel. If you would like to take any pictures and upload them to tapestry we would love to see. https://www.thebehaviorhub.com/blog/2020/6/1/5-breathing-exercises-for-your-kiddo
Other Information Twitter  @NewburghNursery	<p>Individual and sibling photos will commence from Monday 13th September however we need consent for your child to participate in this.
