Dear Parents/Carers

Flu Vaccinations

Our primary school aged children are invited to have their flu vaccinations in school here on Monday 11th October. The flu vaccination for children is a nasal spray. This year there is also the offer of an injection for those who wish to avoid gelatin.

If you wish your child to have the flu vaccination please follow the link below to give your consent for them (please note this is only for **school aged children**. Children in Nursery will be invited to attend their GP surgery for this vaccination).

You have until Tuesday 5th October to consent to this and your application will go direct to the NHS. If you have problems accessing the link please telephone 0333 358 3397 and press option 3.

Kind regards
