

Dear Parents, Carers & Children

Enrichment Clubs: It has been wonderful to offer clubs to children again and our packed timetable has been extremely well received. Some of our clubs are booked up until March! We have photos of Venables Football Club, Key Stage 1 Science Club and the wonderful work of our Art and Craft Club.

Woodland Trust Award: We are celebrating again as we have been awarded the Woodland Trust Green Tree School Gold Award. To earn this award our children led by Mrs Duthie have visited woodland, the Eco Council led an assembly about the importance of trees and woodland, we held a tree party, planted trees, created a tree champion and took bugs eye view photography. Well done to all involved!

Key Stage 2 Jobs: We were thrilled to receive so many job applications but as a result the shortlisting process is going to take a little longer. Interviews will now take place next week.

Reading: It was lovely to see so many of our Reception parents at our Reading Workshop on Tuesday. We hope you find the information extremely useful to support your child's reading journey. Please take a look at our class pages for more reading top tips. As you can see from the following page even our Nursery children share stories.

Eco & School Council Elections: Children will soon be asked if they would like to stand as a candidate for our School and Eco Councils. For more information about this exciting opportunity please see our [Enrichment Opportunities](#) page.

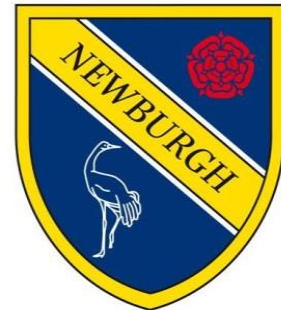

Wilton House Farm Shop: The farm shop is finally opening over the road from school. Children have a flyer and a loyalty card in their bags tonight. If you show your card at the checkout school will receive a 5% donation. They are also holding their fabulous pumpkin picking again for which we will receive a 50p donation for each pumpkin sold.

Flu Vaccination Consent: Finally please ensure you give consent for school children to receive the flu vaccination on 11th October. Please go our [Letters Page](#) to access the letter with the link to provide consent. The link is only live until Tuesday.

Warmest Regards,

Newburgh CE School & Nursery
