Dear Parents, Carers & Children

Well Done & Thank You!: This half term has brought many challenges to all of us in Team Newburgh. It has been wonderful to have all our children together again and to be able to offer enrichment activities to children. Despite the temporary return of bubbles we remain optimistic for a return to whole school activities after the half term break. To our isolating families thank you for engaging so well with our remote learning. It is now time to enjoy the half term break and school will return on **Tuesday 2nd November**.

Eco & School Council Elections: Don't forget election day is Thursday 4th November. Children will need a manifesto or poster explaining why they make a suitable candidate for these roles. Please see our [Enrichment Page](#) for more information about this.

Enrichment Clubs: The enrichment clubs will return after half term! We will be running the cancelled clubs to complete the planned programme for this half term. Choir club will resume on Wednesday 3rd November. All other clubs will re-commence week beginning 15th November on the same days and same times as they have been to date.

Parents Evening: We were disappointed to have to rearrange Parents Evening. We have decided only to offer Zoom meetings and these will be on Tuesday 9th and Wednesday 10th November. We will communicate after half term with regards to booking time slots.

Harvest Service: - Years 1 and 2 have worked hard filming their Harvest Service to share with their parents. This will be released to parents electronically after half term. Thank you for your patience.

Tower Wood: The Venables residential trip to Tower Wood will be from Wednesday 2nd February until Friday 4th February and full details will be sent out after half term – save the dates!

PTA Christmas Card Designs: Please return your Christmas card designs to school by Friday 5th November. Thank you.

Lateral Flow Testing: I would like to encourage all children who have not tested positive for Covid in the last 90 days to undertake a Lateral Flow Test before returning to school on Tuesday 2nd November to maintain the safety of our Community.

Have a wonderful, restful half term break.

Warmest Regards,
