

Newburgh Village Community Group presents

Newburgh Pumpkin Hunt

October 22 - October 31, 2021

- **Draw, paint, print or carve a pumpkin.**
- **Stick the pumpkin in your window, on your doorstep or in your garden.**
- **Grown-ups can take their kids around the village and see if they can complete the trail and spot all the pumpkins.**
- **It's a great activity to do over October half term, not just on Halloween!**
