25/04/22

Please make sure your child has their Tricky Word and Digraph book in their reading packet at all times and don't forget to dip in to them at home. If you have misplaced them, please make a note on reading diary and we will replace.

Personal, Social, Emotional Development (PSE)	We will continue to think about our Gospel Value of Trust and look forward to our new show and tell theme 'Somewhere Special', look out for an invitation via Tapestry.
Communication & Language (CL) Understanding of the World	As our Historian home challenges are returned, we will talk about what we have discovered and make comparisons with our lives today. This week's bird song is that of the starling. https://www.rspb.org.uk/birds-and-wildlife/wildlife-guides/bird-a-z/starling/
Literacy development (LD)	We continue to consolidate our knowledge of Phase 2 and 3 Letters and Sounds and move on to Phase 4. The purpose of this phase is to consolidate children's knowledge of graphemes when reading and spelling words containing adjacent consonants (2 or more consonants next to each other in a word e.g. champ, burnt, drench) and polysyllabic words (words that have more than one syllable e.g. shampoo, treetop, freshness). We will also begin to learn Phase 4 tricky words which will be sent home to add to Tricky Words books. It will be necessary to have 2 words on some pages so they all fit. It is fine to put phase 4 words with tricky words from other phases. We will also be introduced to the Naughty Bus (By Jan Oke) which will be our theme for the coming weeks.
Physical Development (PD)	We will learn some of the games we discover from our Historian home challenge such as hoop and stick and hop scotch.
Mathematical Development (MD)	Using Numberblocks we will develop our awareness that teen numbers are ten plus another number and when we write a teen numeral the 1 (ten) comes first, this handy rap will help us with that! https://www.youtube.com/watch?v=1W5aYi3lkho
Expressive Arts & Design (EAD)	Using our various construction resources, we will create vehicles and we will also learn a song about the Naughty Bus and making up our own actions. You can listen to the song here, but a word of warning, you may find yourself singing it all day long! https://www.youtube.com/watch?v=jwYU3aQ3tHc

Any questions please see me after school @twitter - <https://twitter.com/newburghcrane>
