09/05/22

Personal, Social, Emotional Development (PSE)	We continue to learn from Confident Mini, focusing on the concept of gratitude and what it means to be grateful. We will think about and notice things in our lives that we are grateful for.
Communication & Language (CL)	This week's picture news asks "What makes us unique?" and we will remind ourselves of one of our mottos "Somethings are different, somethings are the same, but we are all equal."
Understanding of the World	Last week, the Naughty Bus went missing and this week, we will discover that the Bus and Obb have gone off on an adventure to Space! We will share our knowledge about planets and space.
Literacy development (LD)	We are looking forward to Friday's Pyjamarama Day which will include an outdoor literacy hunt and lots of storytelling. Your child can bring in a book from home on Friday. As we will be outside for much of the day please send in additional layers and wear appropriate footwear (not dressing gowns and slippers this time!)
Physical Development (PD)	As part of our focus on Special Places, we will take our shoes and socks off and go on a sensory walk over a variety of textures such as real grass, artificial grass, sand and water and talk about what we feel.
Mathematical Development (MD)	We continue to learn about the composition and value of number and return to Numberblocks monster Blockzilla as we compare numbers using 'greater than and less than'.
Expressive Arts & Design (EAD)	At the end of the school year, we will open Newburgh Art Gallery. This week, we will work with clay to produce some Andy Goldsworthy inspired pieces of art.

After half term the children will need to bring in a plain white t-shirt for a tie dye activity. These can be sent in before half term or during the week we return. Please name them before sending in.

Diary Dates: WB 13th June-Mini First Aiders Training-more info soon.

1st July-Family Forest School Afternoon-More info nearer the time

12th & 13th July-Newburgh Art Gallery
